ABOUT US

We are a woman-led gluten free foods company with **3 branches across Pakistan in Lahore, Islamabad, & Faisalabad** providing gluten free food items including bakery, flours, fast food & desserts. We also cater to other diets such as keto, dairy free, egg free, and low sugar.

On the other hand, we have customers globally who order our gluten free products and in order to make it both easier for them and us, we are on a mission to launch our selective range globally.

SAFETY STANDARDS

- Licensed with Punjab Food Authority (PFA) for all our facilities, including our manufacturing facility in Lahore.
- Our manufacturing facility is **U.S Food and Drug Administration (FDA)** registered & **ISO 22000 certified** by a **UKAS accredited** certification body,
- Using **dedicated facilities** for all gluten free manufacturing to guard against cross contamination.
- **Internal gluten testing** using AOAC approved rapid test kits.
- Aim to ensure food traceability and currently aiming to achieve the FSSC 22000 certification by the end of 2026.

HMC MICROBIOLOGY & QC DEPT

testing all food items for the presence of bacteria & gluten ensuring safe food

GLUTEN FREE FLOURS

Our Community

Financial Aid Program

Customers who cannot digest, tolerate or eat gluten have no choice but to consume a gluten-free diet. However, GF products can be a bit expensive due to the special care & ingredients needed.

Therefore, we offer customers unable to afford our products free packages or discounts everyday through our financial aid program catering to a diverse population across Pakistan.
